

Upper Elementary & Adolescent Program

Updated January 8, 2010

Many parents have asked for suggestions for appropriate “birthday books” to donate. This is a list of books that we would like to have added to Thacher’s library. If none of these appeals to you, factual books about animals, foreign countries, or history are always welcome.

Because so many families are donating birthday books, we are getting quite a few duplicates this year. To prevent this, you can check whether or not the library already has a copy of any book by visiting the school website: thacherschool.org, selecting the library tab. On this page you will be able to connect with the library’s catalog. Enter the title of the book you are considering, then click on “title.”

Additionally, we now keep updated birthday book wish lists posted on the school website, so you can easily check to make sure the book you’d like to donate is still wanted. If you have ordered or purchased a book that you plan to give, please consider emailing us so we can take it off the list: library@thacherschool.org. Please feel free to call Joy or Andrea if you have any questions. Thank you.
